Thank you for purchasing an
HP PE4240n 42" Plasma Television.

- Identify the type of connectors your home entertainment equipment uses, then go to the corresponding step on this poster and follow the directions. Example: To connect a cable or satellite set-top box which connects via S-video cabling, refer to step 5, "Connect an S-video device."
- Refer to the user documentation for advanced connections.
- Apply Power to all components and then to the TV.
- Finally, refer to the section titled "Setting up TV channels (Auto Scan)" in your user documentation to finalize your TV setup.

Contents

- HP plasma TV
- TV stand
- Speakerbars (2) (optional)
